EDUCATION, AN INVESTMENT IN PEOPLE

To the Senior Class

The education which the citizens of Sharon have provided for you represents their investment in **you.** From their investments in stocks and bonds, or banks, or business, or real estate they have a right to expect a fair return. Have they not the right to expect a fair return from their investment in your education ?

If you so order and conduct your lives that you bring credit and honor to yourselves and to Sharon High School, you will have vindicated the faith which the people of Sharon have placed in you. They will have made a sound investment.

Herman R. Richardson
Superintendent of Schools

PRINCIPAL'S MESSAGE

In September 1949 your class became Freshmen in the high school. At that time your group numbered forty-seven. It is not at all unusual to have changes in group membership during the four-year period. In the case of your class these changes have reduced the membership to thirty-seven.

During these four years you have been faithful to your studies and other school activities as you have attended the classes of your choice each year. You are about to complete your formal high school education and very shortly will become citizens of this or some other community. This will give you an opportunity to put the results of your training into practice.

Your teachers have taken a personal interest in your educational accomplishments; and, because you are a small class, they have been able to give you more individual attention than future classes will enjoy as the school enrolment increases. As you go your respective ways after graduation, it is my sincere wish that you will be successful in whatever line of endeavor you may choose, whether it is to continue your education or take your place in industry.

Harold A. Clarke

Principal

JUNIOR CLASS

As we go to press, the Juniors have their busiest time still ahead of them with preparations for the outstanding social event of the year, the Junior Prom.

For the first time in the history of Sharon High School, it was possible, because of the size of the class, to elect three, instead of two, Juniors to the National Honor Society — one of the signs that our school is growing. Also, the Juniors have enjoyed the distinction, this year, of having four starters on the varsity basketball team. We are sure that they will go on to further distinctions in their senior year.

SOPHOMORE CLASS

The Sophomores presented their dance, "The Emerald City," on November 14. The theme, adapted from the "Wizard of Oz," was very novel and well carried out. The artistic talent of the Sophomores was also evident in their entries in the annual Christmas Art Contest, for they won first prize in both the religious and non-religious classes. This ability should assure them an original Junior Prom and senior yearbook.

FRESHMAN CLASS

Another sign that Sharon High School is growing is the fact that the Freshman Class is so large that they had to be divided into two groups for their picture. As we go to press, they are in the midst of planning their first dance, which will take place April 10.

BOYS' VARSITY BASKETBALL

The basketball team, under the direction of Mr. William Konsavage and Captain Alan Dunakin, has maintained a top spot in the Hockomock League since the season began and, at present, are tied for first place with North Attleboro and Canton. We wish them luck in winning the Hockomock League Trophy. The boys have made an excellent showing at the Brockton Tournament this year and have a good chance of winning the forthcoming final playoffs.

The good sportsmanship and fair play that the team has displayed have won them a large group of enthusiastic followers.

VARSITY BASKETBALL

Due to unforeseen happenings, this year's girls' varsity basketball team was not so successful as it has been in the past. Nevertheless, spurred on by Mrs. Anita Keyes, coach, and Regis King, Captain, the girls displayed school spirit, and good sportsmanship at every game.

We all hope that Grace Butcher, star forward, will be able to play again next year and that next year's team will enjoy a successful season.

CHEERLEADERS

The cheerleaders of the 1952-1953 season, under the capable leadership of Grace Butcher, have spurred the basketball team on to victory at all the games. Credit should also be given to Mona Feeley who did a wonderful job as head cheerleader in Grace's absence.

A great deal of work was put into the alteration of their uniforms and the successful results were a great improvement. Through the help of the newly formed Girls' Varsity Club next year's squad will have new vests to go with these uniforms.

We hope that next year's cheerleaders will have as much pep as the girls have displayed this season and that the student body will continue to support them as enthusiastically.

SENIOR PLAY

On the evening of December 12, 1952, the Senior Class presented their play entitled, "Professor, How Could You!"

Under the very capable direction of Miss Chase, the cast, the committees, and the stagehands, worked diligently to make the play the tremendous success that it was.

MUSIC GROUPS

The music department of Sharon High School has grown greatly, both in size and quality, in the past few years. The newly formed band, under the direction of Mr. Hoffman, has played at several school assemblies including those at Thanksgiving and Christmas. A small group from the band delighted spectators and encouraged school spirit by playing at all the home basketball games.

The Boys' Chorus was formed this year under the direction of Mrs. Merritt. This chorus, which has already sung at several engagements, has concentrated mostly on the building of a repertoire specializing in college songs. The A Cappella Concert Choir is carrying on the good work that they started last year with the aid of Mrs. Merritt. Because the girls have worked hard and at present have a repertoire which is two hours long, they have had many outside engagements. The president of the group is Joanne Hamer, and the announcers are Gretchen Myers, Lee Carney, Cynthia Hall, and Regis King. When the girls attended the Southeastern Music Festival last year, they received a very high rating. We are certain that they will win another high rating when they enter this Music Festival again this spring.

All three musical groups have contributed much to the school by providing entertainment and by encouraging school spirit. We sincerely hope that they will continue their grand work.

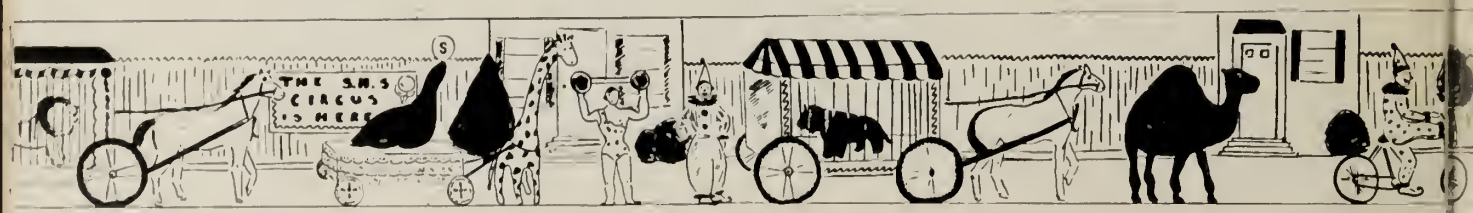
HONOR SOCIETY

Membership in the National Honor Society is based on four principles: scholarship, leadership, character, and service. It is the aim of the organization to foster these principles in the school and to encourage the students to strive for membership by self-improvement.

This year the induction ceremony was conducted by Margaret Morgan and Joan Abel, members from the previous year, and Mr. Clark, sponsor. The new members selected were: Mona Feeley, Edna Lavezzo, and Farley Peck from the Senior Class and Gretchen Myers, Joseph Klein, and David Marshall from the Junior Class.



Third Row, left to right: William Haimes, Carl Uretsky, Robert Donnell, Ian Mueller, William Burtt, George Goodwin, John Van Stone.

First Row: Karen Robinson, Barbara Spaulding, Russell Wallace, Vice President; Gretchen Myers, Secretary; David Marshall, President; Miss Barbara Burns, Advisor; Alan Dunakin, Treasurer; Richard Lindberg, Griselda Hepner.

STUDENT COUNCIL

This year, as in the past, the Student Council, under the able direction of Miss Burns, has completed many successful and beneficial projects. At Christmas, it supervised the collection of clothing for the "Save The Children Federation". In addition to this worthwhile project, it presented an assembly on parliamentary procedure, conducted the election of the Good Government Day representative, and helped to establish a safety patrol for the school. Plans are being formed for a formal induction of members into the Student Council next year.

Sharon High School is indeed proud of the work done by its Student Council.

Of Course You're Proud!

You should be! The good work you have done at school has made you a graduate this year.

BIRD & SON, INC., is proud, too. Bird has done a consistently fine job for its customers over many, many years.

Starting as a paper manufacturer back in 1795, Bird branched out into the manufacture of building materials, floor coverings and allied products. Thru Bird expansion and progress one thing has remained constant, the high quality of its products.

Bird has offered its customers quality products for over 150 years and of that it is proud!
